NAME:

\*Purchasing inventory is an individual decision, and it's certainly not a requirement for you to begin your Mary Kay business. We always recommend that you determine what activity level you plan to pursue in your Mary Kay business. Then, if appropriate for your personal circumstances, invest in a level of inventory that supports that activity. If you decide that this opportunity is not right for you, Mary Kay will repurchase, at 90 percent of your original net cost, original and unused Section 1 products, as long as these items were purchased by you from the Company within one year prior to return. Please refer to your Independent Beauty Consultant Agreement for complete details.
